

Mater cares

Caring for women and families
during pregnancy, birth and
early parenthood.

The heart to heal, the strength to grow.

Our spirit is strong, it thrives as we embrace those who we must always care for.

Our journey has been long and we will continue to flourish as we open our hearts to those who walk with us. **Always.**

The artwork concept and narrative was developed by David Williams. David is a proud Wakka Wakka artist at Glimbaa.

In the spirit of reconciliation, Mater acknowledges the Traditional Custodians of Country throughout Australia and their connection to land, sea and community.

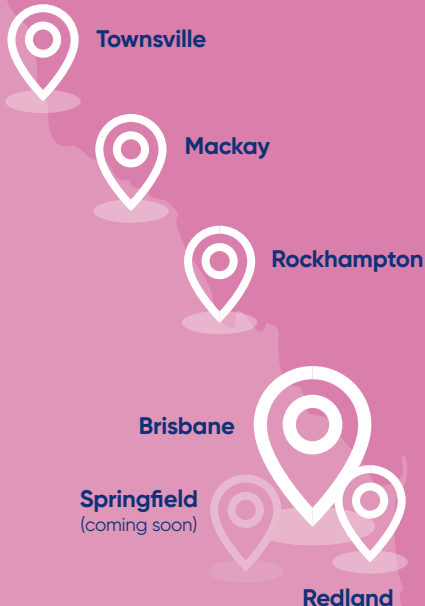

We pay our respects to their Elders – past, present and emerging.
